

November 2015

Dear Capitan Public Library Patron,

The Capitan Public Library is a nonprofit organization run by volunteers, devoted to making public library services available to the Capitan/Lincoln County region. We provide the highest quality programs that benefit all residents in our villages and the surrounding areas. A few of these are: **Children's After School Program & Summer Reading Program; Adult First Friday Programs, Book Club & Ancestry Classes; free internet access and rooms for community groups to meet.** The Capitan Library receives limited local or state government support.

We are asking you to consider supporting our cause. This year's campaign goal is to raise \$6,000. Funds from the campaign will be used to **keep the library open.** Capitan Public Library relies only on the support of generous donors such as you. Become an annual donor or a business partner. Your tax deductible donation will help ensure the success of our future.

Any support will be highly appreciated. If you have any questions, please feel free to call 354-3035 or come by the library. We look forward to serving you, your friends and family in the near future.

Sincerely,

Friends of the Capitan Public Library
